

### About the **Maxell®** MP3/4 Players

Maxell music players are perfect for listening to your music wherever you are. Stylish and compact they deliver great audio and visual quality. From listening to your favourite playlists to watching videos and holding photographs, Maxell caters for every need. For a sophisticated music player, look no further than the Melody Media Player which plays MP3, MP4, WMA, WAV and JPEG files. The built-in speaker allows music and video playback and the 2.4" TFT 262K LCD colour display screen is big enough to see your videos clearly. Features a built-in microphone, 8 equalizer modes, USB charging/connector cable and a Micro SD card slot if your internal memory is not big enough for your use.
